

C

BOARD OF HIGHWAY
MONDAY, DECEMBER 8, 2014

Present: Mayor Louras, Dave Allaire, Treasurer Wilton, Purchasing Agent Magro, Commissioner Wennberg, and Dave Sears.

The Mayor called the meeting to order at 3:25 pm.

Commissioner Wennberg updated the Board on the Route 4 and 7 project. Specifically, the punch list items that include the manhole covers on South Main Street. The State of Vermont will not sign off on the project as they are now but the City and State will have to come to an agreement of how this will be fixed in the Spring. Another item to be addressed is the pedestrian sign posts. Originally, the project allowed for the poles to be replaced. However, at some point the replacement of the posts was removed from the project and the City was unaware of this change. Something will have to be done to the posts in the Spring but that has not been decided as of yet. This was for information only.

Mayor made the motion to adjourn at 3:40pm.

Respectively submitted,
Sara Magro
