

Board of Aldermen Committee Minutes
Human Resources

Date: February 9, 2016

Chair: Matt Bloomer

Committee Members Present: Bloomer, Davis, Donahue, Etori

Others Present: Jody Breault, Cindi Wight, Bob Peterson, Tyler Dahlin, City Attorney Romeo

The Chair convened the meeting at 5:33pm and the group began discussing items based on Superintendent Wight's review of the changes to the handbook made thus far.

After some discussion about full-time vs. part-time employee definitions, vacancy advertising procedures and the anti-nepotism policy, the group decided it would be most efficient to have Superintendent Wight work with Ms. Breault to modify the current draft and then re-present the sections to the committee.

The group then discussed the process for reviewing sections going forward.

The committee agreed to meet again at 5:30pm on March 8, 2016 to discuss the topics that Ms. Breault and Superintendent Wight will collaborate on in the interim.

The meeting adjourned at 6:21pm.

Respectfully Submitted,
Matt Bloomer, Chair
