

**CITY OF RUTLAND
BOARD OF HIGHWAY
WEDNESDAY, DECEMBER 14, 2016**

Present: President Notte, Mayor Louras, DPW Commissioner Jeff Wennberg and City Clerk Heck.

Mayor Louras called the meeting to order at 2:32 PM.

Mayor Louras re-introduced the issue presented at the last meeting by Alderman Melinda Humphrey and Catherine Barker, about safety concerns with traffic patterns at the middle school. The Board members noted the concerns, but also recognized that this was one individual who shared their concern. Members of the Board also recognized that it would take a lot of planning and input from a wide array of individuals to change any traffic patterns. The Board members noted that the school should be contacted for their input. Mayor Louras stated that he will contact Mary Moran.

Treasurer Wilton brought the issue of street markings at the intersection of Merchants Row, Strongs Ave and Washington Street. Commissioner Wennberg recognized the concern and stated that in order to re-paint the lines warmer weather was needed.

Mayor Louras moved to adjourn at 2:55pm.

Respectively submitted,

Henry A. Heck
Rutland City Clerk
