

**CITY OF RUTLAND
BOARD OF HIGHWAY
WEDNESDAY, APRIL 26, 2017**

Present: Mayor Allaire, President Davis, Commissioner Wennberg, Engineer Rotondo, Clerk Heck, and Zoning Administrator Tara Kelly. Also present Treasurer Wilton.

Mayor Allaire called the meeting to order at 3:16 PM.

Commissioner Wennberg spent nearly 50 minutes discussing "Complete Streets" with the Board. Commissioner Wennberg and City Engineer Rotondo reviewed a City of Rutland Complete Streets Guidance Document and went over how this document was developed. The Complete Streets program for the City of Rutland was developed with input and assistance from the Police Department, Recreation Department, School Department, Marble Valley Transit District, the City Planning Commission, the RRA and others, thus creating this guidance document. Commissioner Wennberg emphasized that this was just a guide and noted the next phase was to gain public input, through public hearings. After the public hearings, the document would be updated before coming back to the Board of Highway Commissioners for their final approval.

The issue will remain in committee.

Meeting adjourned at 4:15PM

Respectively submitted,
Henry A. Heck
