

**CITY OF RUTLAND, VERMONT
BOARD OF HIGHWAY
WEDNESDAY, MAY 11, 2016**

Present: Mayor Louras, Commissioner Wennberg, and City Clerk Heck.
President Notte was absent.

Mayor Louras called the meeting to order at 2:20PM.

Mr. David Zsido presented his request of naming two (2) bridges being rebuilt in the City. Mr. Zsido gave a very well prepared history of Aldo Manfredi and Julia Dorr, as well as history to how the bridges had been named and how the new bridges could be named to honor a new recipient and preserve the history of the other. The two Board members present thanked Mr. Zsido and noted they wanted their third member to be involved and stated that they would be in touch with him when the Board had made a decision on his request.

Commissioner Wennberg brought two requests to the Board. The first was a request to sign off on the Annual Financial Plan – Town Highways. Commissioner Wennberg gave a brief history where Mayor Louras moved to circulate the form for signatures. **Motion passed.**

Commissioner Wennberg then discussed his Certificate of Non-Compliance, Town Road & Bridge Standards and Network Inventory. There was brief debate on the request, with Commissioner Wennberg stating his reason for at this time remaining non-compliant. City Engineer Rotondo also recommended not adopting standards at this time. The Board decided to wait until their next meeting when Board President Notte would be present to sign the requested document from the Commissioner.

Meeting adjourned at 2:45pm.

Respectively submitted,

Henry A. Heck
