

CITY OF RUTLAND, VERMONT
Development Review Board Minutes
Wednesday, March 18, 2020

Development Review Board Members: Stephanie A. Lorentz, Al Paul, Jim Pell, Steve Wilk and Mike McClallen.

Members present: McClallen (in person). Also present, Zoning Administrator Tara Kelly (in person).

At 6:12 PM Acting Chair McClellan called to order the hearing on a Site Plan Review application regarding installation of 6 Tesla Electric Vehicle charging ports at 194 Woodstock Avenue.

The applicant was not present. The applicant's representative (Edward Noseworthy) and adjoining neighbors (Jim and Joan Watson) were informed via email by ZA Kelly that the meeting would be adjourned to March 26, 2020 due to recent decisions to close City Hall in light of COVID-19 public health concerns. No other members of public attended or attempted to attend the hearing.

The project was not discussed and no testimony was taken.

Acting Chair McClallen announced the Hearing be recessed until Thursday, March 26, 2020 at 6:00pm.

Notice of the new date and time will be provided to all abutters via mail, the applicant through email, and the general public via a sign on the property, the City's website and other means developed over the next couple of days.

The meeting ended at 6:14 PM.

Respectfully submitted,

Tara Kelly

Development Review Board Clerk
