

C.A.I.R. COMMISSION

COMMISSION FOR ACCESSIBILITY IMPROVEMENT IN RUTLAND

Meeting Minutes

For Wednesday, August 15, 2018

Present: Glenn Reed, Jessica LeBlanc, Bob Tanner, Rose Denardo, Lee Bizon, Ren Van Wagner, and Judy Frazier.

Meeting minutes from June 20, 2018 were shared. Bob made a motion to approve and Lee seconded it. All in favor, June minutes were approved.

Updates on old business:

- Crosswalk at Meadow Street, Bob reported issue to City Engineers, but probably won't be dealt with until next year.
- Rutland Police Department front entrance – Also with City Engineers, on their project list, not sure on a date for work to begin. The Police Department needs a new roof, which may take precedence.
- Templewood Court residents have asked to have the Bus Stop moved to the opposite side of the street. Lee did check into this and because of the great number of people accessing it at its current location it cannot be relocated.

New accessibility issues:

Lee mentioned that The Bus is looking to add a stop on Woodstock Avenue close the Rutland High School. Stratton Road will not work because of the heavy traffic before and after school, but perhaps East of the School toward Gleason Road.

There being no further business, Bob made a Motion to adjourn the meeting, Lee seconded the Motion, all were in favor and meeting was adjourned at 3:50pm.

Respectfully submitted by,
Judy Frazier, Chair
