

Charter and Ordinance Committee

On 7/31/17 the committee met at 5:30 PM to discuss the nuisance fowl ordinance. Committee members present were Alderman Donahue, Larson, Humphrey and Notte. Others present were City Attorney Bloomer, Health officer Mike Brookman, Mr. and Mrs Fredette, Reporters Alan Keyes and Patrick Mcardle.

This meeting was was held because Mr. and Mrs. Fredette came to the Alderman complaining of noisy roosters at the home on 127 Curtis. Our present ordinance Title 17 Chapter 3 subsection 3122 is very scant on details and many believe it should be updated.

Alderman Larson stated that we should hold off on making changes to this ordinance until this case has been resolved so as not to confuse the issue.

The committee expressed support for City Health officer Brookman to continue his efforts to solve this problem using the present ordinance.

The majority of the committee felt that we should resolve the present issue before we tackle the changes to the ordinance. For information only. Meeting ended at 6:51.

Humbly and Respectfully
Alderman Gary Donahue
