

**CITY OF RUTLAND  
BOARD OF HIGHWAY COMMISSIONERS  
WEDNESDAY, JUNE 13, 2018**

Present: Mayor Allaire, Commissioner Wennberg, BOA President Davis and Clerk Heck. Also present were City Engineer Rotondo and Assistant Engineer Gillen.

Mayor Allaire called the meeting to order at 3:49 PM.

**Complete Streets Guidance Document**

Commissioner Wennberg spoke about this project that has been in the works for the last year and a half. Commissioner Wennberg noted the meetings that had been held and the updates that were made to the project based on the information received at those meetings. Commissioner Wennberg noted the Board of Highway Commissioners could move on the project and accept and adopt the final plans or hold another public meeting to get a better response on the changes.

There was debate on the holding of further meetings and then the City engineers reviewed all of the maps and reviewed their recommendations. City Engineer Rotondo noted that the City Master Plan was reviewed and any mention of complete streets was addressed in the plan and maps. After about 20 minutes the Board moved to have a meeting with the Planning Commission and to hold a public meeting on the issue at the next Board of Highway Commissioners meeting.

A motion was made to adjourn.

Respectively submitted,  
Henry A Heck
