TURNING THE PAGE ON VIOLENCE

NewStory Center Annual Report 2023

For 44 years NewStory Center has been the single agency in Rutland County supporting survivors of domestic and sexual violence by working to end the cycle of violence through support, education, prevention, and collaboration.

During FY23, NewStory Center served 674 survivors and their children through direct services such as emergency shelter, medical advocacy, legal advocacy, case management, clinical services, support groups, and the 24/7 crisis hotline. Additionally, we provide training and technical assistance to our community partners, including local law enforcement, to ensure a more effective community response to domestic and sexual violence.

The Board and Staff of NewStory Center thank the voters of Rutland City for their support of our agency. Your generosity allows us to, not only provide survivors with necessities and ongoing advocacy, but also affords us the ability to grow and expand our services to better serve your community.

REQUEST

Shall the voters of the City of Rutland approve \$10,000 over and above the charter limit for NewStory Center (formerly the Rutland County Women's Network & Shelter)? We responded to 368 requests for services from residents of the City of Rutland this past year. As our services are confidential, in some cases we might not be informed as to where our clients live. We are very thankful for the help that the people of the City of Rutland have given us in the past, and would be very grateful for your continued support of our mission.
