The Water Distribution Regulations for the City of Rutland state:

* The property owner shall provide an accessible, secure, frost-free location for the water meter. In cases where such location cannot be provided, water for that property will be billed the water schedule rates.

* If any property owner shall refuse or fail to provide access to the meter the billing procedure for that property will be changed to a schedule account based on the number of occupants to be considered as being two times the number of bedrooms until compliance is met.
